“MY BROTHER DIVINE”

by Mountain Ghost

**You traveled well and wide to find just who you are
My spirit by your side envisioned from afar
From soaring through the sky to climbing mountain peaks
No madness not to try when inspiration speaks**

**Always my brother
Lost on cloud nine
Always my brother
My brother divine
My brother divine**

**Though oceans in between our shores not far apart
Some look-alikes unseen but born of the same heart
You always did your best in whatever you could
And now finally you rest on laurels of endless good**

(Chorus)

**I see you each day
As blessed as can be
You off on your way
Just happy and free**

(Chorus)

**My brother divine
My brother divine**

*"Dearest Bobby ... Thank you so much for your loving teachings, example and inspiration ...
I am always with you ... as you are always with me ... Your Brother ... Ricky ♥"*
